SOURCE

- 1. Effective 15 January 1950, all commissioned and non-commissioned pilots in the Rumanian Air Force will be forbidden to fly, with the following exceptions:
 - a. Pilots whose loyalty to the Party has been verified.
 - A small number of new pilots recruited from mechanics whose Party loyalty has been checked. These new pilots received three months training.
- 2. Newly-organized Air Force units lack technical personnel but have been supplied with political commissars.
- 3. An unidentified Soviet Major General has been attached to Air Force Meadquarters as "advisor",
